

جامعة المنوفية الأهلية

## 11 - **Community Engagement and Social Inclusion Policy**

### - **Actionable Policy:**

The University will allocate resources to support **community-based initiatives** that address local social and economic challenges. Faculty and students are encouraged to engage in service-learning and outreach programs. An **Advisory Board** composed of local stakeholders will guide partnership development, ensuring that academic expertise is leveraged for **social inclusion** and mutual benefit, making the university a responsible partner in regional development.
