## Required policies of MENOUFIA NATIONAL UNIVERSITY

### 1- University Policy on Maintaining a Smoke-Free Campus Environment

#### - **Policy Statement:**

Menoufia National University is committed to providing a healthy, smoke-free environment for all students, staff, and visitors. Menoufia National University strictly prohibits **smoking** (including e-cigarettes) in all indoor and outdoor areas across its campuses, including offices, classrooms, residences, and green spaces. This policy aims to reduce health risks associated with secondhand smoke and promote wellness.

#### - **Actionable Measures:**

- **Total Prohibition:** Smoking, including the use of e-cigarettes and vaping devices, is prohibited in all university-owned or operated buildings, vehicles, outdoor spaces, and within 10 meters of any entrance or air intake vent.
- **Clear Signage:** Install prominent "No Smoking" signs in Arabic and English across all campus facilities and at all main entrances.
- **Awareness & Support:** Launch an annual awareness campaign on the dangers of smoking and offer free, confidential smoking cessation programs and resources through the university's medical center.

#### - **Enforcement:**

All members of the university community share responsibility for compliance. Repeated violations by students or staff will be addressed through the respective disciplinary procedures
